

LET YOUR VOICE BE HEARD REGISTER TO VOTE

Over twenty-four million Christians in America are not registered to vote!

Only half of all eligible citizens are even registered—and only half of those registered voters actually vote. As a result, most elections are decided by only one-fourth of the eligible citizens.

If you're not registered or you've recently moved, make sure your voice is heard on Election Day by registering to vote today.

Fill out a permanent vote by mail application today.

but when the wicked rule, the people groan."*
